Mr. Butler, Counsel for VOCA and JACAAB have agreed to an extension of prefiling deadlines by a week which should give time for all testimony to be prefiled in time for the hearing in this matter. I had mentioned our agreement to Jeff Nelson at ORS yesterday afternoon and I am of the impression that the ORS would consent to an extension but would ask Mr. Bateman or Ms. Hudson to confirm. Please let me know if you have questions.

Dear Mr. Butler,

Today JACABB and VOCA have made strides toward a potential resolution of this matter. While we do not know whether we will be successful, Scott Elliott and I both believe it would help provide some "space" within which to negotiate if VOCA's deadline to file its initial testimony is extended by one week.

To that end, I am writing to request an extension of VOCA's deadline to file its initial testimony from tomorrow to next Thursday, February 19. Mr. Elliott has indicated he will join in this request and I ask him to do so by responding to this message.

I have not had an opportunity to speak to Ms. Hudson on this subject. By copy of this message, I respectfully ask for her consent to this proposed extension.

Please let me know as soon as you can whether you will grant this request. I am prepared to respond to any questions that may arise.

Very best regards,

John
